The Red, White & Blueberry Festival is one of the most highly anticipated events in South Jersey. On average we have 10,000 visitors attend, as it has become one of the most popular entertainment events of the summer season.

Our arts & crafts portion of the Red, White and Blueberry Festival is a juried show. The photos and description that you provide are used for approving your admission to the Festival. Each application is examined and rated for individual merit. Historical data, such as previous Festival participation or having no Festival experience, is not considered.

The Festival layout is constructed each year with great care so that all products are showcased respectfully. ***We do not provide the opportunity to reserve a space or obtain the same space for consecutive years. There may be more than one location for arts & crafts vendors. Please note there is no exclusivity for vendors. We try to promote business for all and there may be other vendors selling similar items.***

Approximately 85 applicants will be selected to be in the show and remaining applicants will be placed on the waiting list. Waiting list applicants may receive an email to participate as late as May 31, but not after.

Your completed application must be received no later than April 1, 2020. NO EXCEPTIONS!

Requests received after this date will be placed on the 2021 mailing list. We have this deadline in order to conduct our jury and selection process in a timely manner.

NEW APPLICANTS will be reviewed, with notification of acceptance by May 8, 2020. Please be sure to read over the application carefully, failure to provide all necessary requirements will cause an automatic jury rejection.

NEW APPLICANTS - Please DO NOT Send Payment in Advance.

We offer you these helpful hints when assembling your application:

- Use the best quality photographs you have available. Remember this is the only way the jury sees your product and display. Photos will not be returned. (You may send your website link for online viewing).
- Provide a detailed description of your work.
- An application for merchandise that is handcrafted is given first priority. Manufactured or buy/sell items are strongly discouraged

Please remember we are looking for items featuring Blueberries!

Thank you for your interest in our Festival
